

NUC-C4 L4

Intel® Celeron® J3160 Quad-Core Processor
micro soft router

Features:

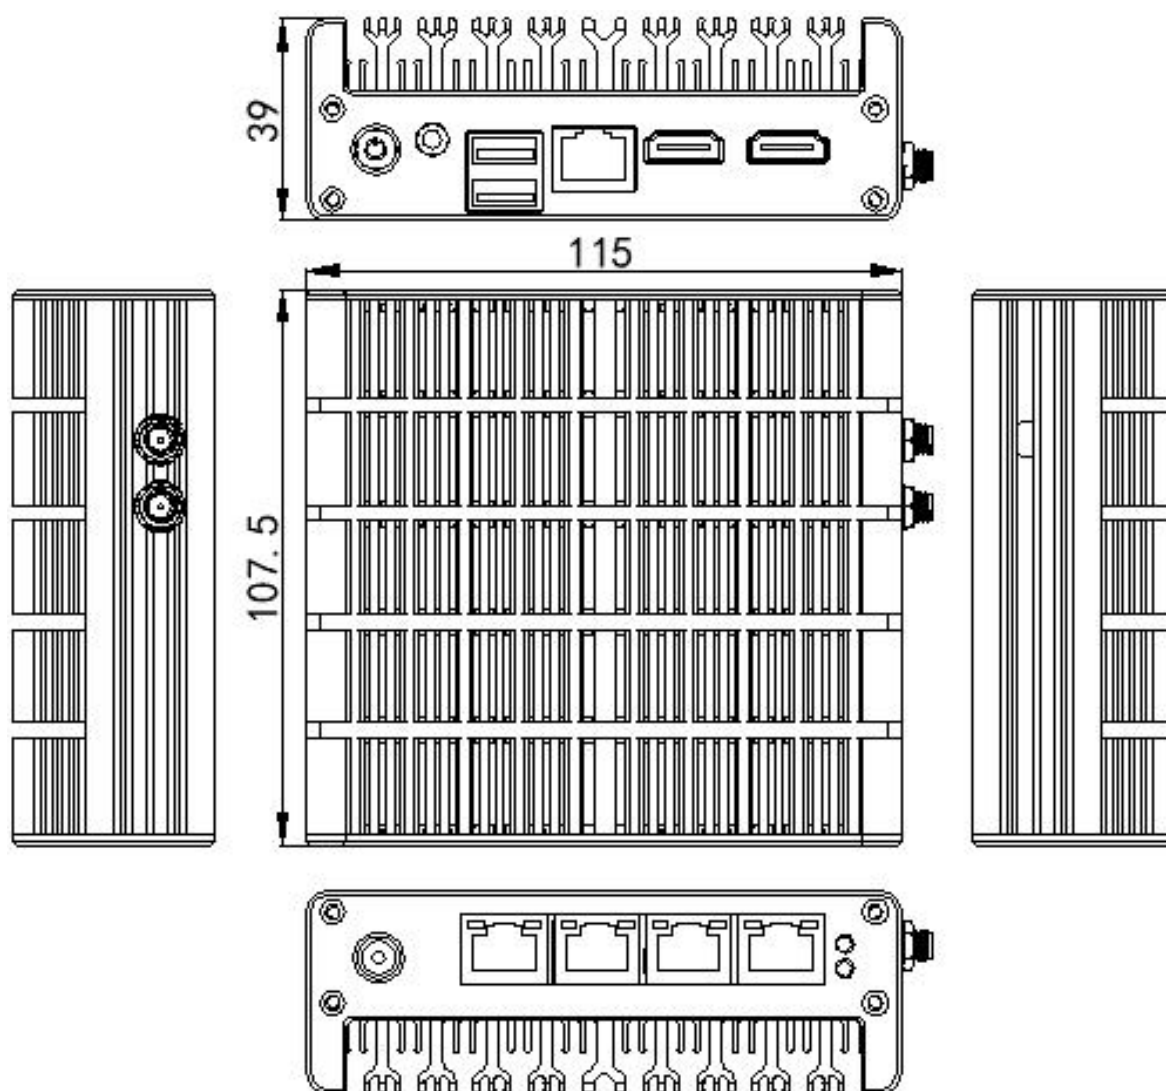

- ◇ Mini fanless all-aluminum alloy chassis;
- ◇ Intel Celeron J3160 quad-core processor;
- ◇ Support DDR3L 1600 8G memory;
- ◇ Support 2 MINI PCI-E slots;
- ◇ Support 2 HDMI high-definition display interfaces;
- ◇ Support 4 Intel Gigabit Ethernet ports;
- ◇ Applicable system:

Product Specifications

Model	NUC-C4 L4 Black (color can be customized freely)
Case Color	Black (color can be customized freely)
Material	High-quality all-aluminum alloy, hard anodized surface
Processor	Intel Celeron J3160 (4-Cores, 4-threads, main frequency 1.6 GHz, up to 2.24 GHz)
Memory	Support 1 DDR3L 1600MHz SODIMM memory slot, up to 8 GB
Graphics	Integrated Intel HD Graphics core graphics card
Display Port	2 HDMI high-definition display interfaces (support synchronous/asynchronous dual display)
Front Panel I/O Ports	1 power switch, 1 audio , 2 USB3.0, 1 RJ45 serial port (supports Console function) 2 HDMI high-definition display interfaces
Rear Panel I/O	4 RJ45 network ports, 1 DC interface
Expansion slot	Support 1 MINI PCIE slot (support WIFI/Bluetooth with USB signal) Support 1 MINI PCIE slot (support MSATA)
Network	4 Intel i210-AT Gigabit Ethernet ports
Storage	1 MSATA slot
Input voltage	Support DC 12V input
Function	Power-on boot, scheduled boot, wake-up on LAN, PXE boot, watchdog (level 0~255)
Operating temp	0°C ~ +50°C (Commercial HDD) , -20°C ~ +50°C (Industrial SSD) , surface air flow
Humidity	5% ~ 95% non-condensed state
Certification	CE、 CCC、 FCC Class A、 ROHS
PC Size	115 * 107.5 * 39 mm
Weight	0.5 kg
Application	Business office, high-definition video playback, routers, network security and other fields

NUC-C4 L4 Product Five Views

Packing list

Name	QTY	Spec
Adapter	1	Optional 12V 5A/ 12V 4A
Power cable	1	US,UK,EU,AU etc
Certificate	1	Neutral
Warranty Card	1	Neutral
VESA mount	1	Suitable for standard back hanging

Optional information

Configuration	NUC-C4 L4	Intel Celeron J3160	Standard interface, 4 network ports, 2 USB
